

Flamenca Wall

LC11_W

Inspired by the breathtaking movement of Flamenco dancer's ruffled skirt twirling around in the air, Flamenca Wall is an ambient light which captures the playfulness of this true essence. Pressing and holding on the plate, you may pause at any illumination you want. Flamenca Wall is suitable for decorating in multiple lifestyle scenes, including the dining room, bedroom or any other preferable personal space.

Material	LED Color	LED Lifetime	Power Input	Switch
PMMA	Warm White	60,000 hours	AC: 100-240 V/ 50-60Hz	Touch dimmer *
Certification	Net Weight	Power Consumption	Luminous Flux	Color Rendering Index
	0.50 kg (with Wall Mount) 0.73 kg (with ETL Shield & Cover)	3 W (max.)	100 lm	> 80

*A gentle touch on the metallic-like plate will turn on/off the light. Touch and hold on longer of the top plate to achieve various dimming illuminations.
